

# Guided Lake District Walks with Chris Billinge

Make the most of your stay in the Lake District and walk amongst the fells with a qualified, friendly and professional guide.

Walks can be arranged to explore the local area or any part of the Lake District.

I can suggest excellent walks for all abilities. We can experience the challenge of the high fells and ridges or take in the views from the more accessible tops. Perhaps you prefer valleys and lakes, or a special interest walk tailored to your particular requirements.

Whatever your preferences, do give me a call to discuss walking that's specially designed for you.

## About Chris

I have had the walking bug for as long as I can remember and it is always to the Lakes that I return. I live in the village of Deanscales on the edge of the Lake District National Park. I love sharing my skills and passion for this inspiring area with others.

I am interested in the landscape, the history, the flora and fauna. Walking is a great way to enjoy the views, meet new friends and learn something new.

For me, the perfect walk is a mixture of enjoyable exercise, discovery and sharing the adventure.

I believe in welcoming others to enjoy and respect the outdoors which is why I choose to volunteer as an assessor for the Duke of Edinburgh Award expedition panel in Cumbria. I love to see the sense of achievement and growing confidence of the young people who complete their expedition.

I hold the Mountain Leader Training UK Mountain Leader Award and a valid Health and Safety Executive approved Emergency First Aid Certificate.
